^IMRAD DOC

SUBMIT a copy of your peer's project with your own comments on it (at least 5, try to get closer to 10) and a list of actionable items at the bottom (what do they need to do to improve?).

I think they both had good papers, but I commented on things that they should highlight

I said they should say that a specific sentence is the answer to nico's research question
I also told sergio that he should clarify something
